LONG TERM GOAL

Our own residential care home.

IMMEDIATE GOALS

Visit existing board and care homes.

Develop a speakers' bureau so we will have speakers to appear before boards, etc., to present our case.

Contact other groups in need of residential care, toward a coalition to change zoning laws.

Try to get a representative from our group on the Comprehensive Health Planning Council and the Mental Health Advisory Board.

Join the Mental Health Association. Visit Board and Care Homes through their program. Volunteer for Friendship Centers.

Have a representative at each City Council, Board of Supervisors and Mental Health Task Force Meeting.

Gather all possible information about schizophrenia treatment and research. Different approaches may help some persons.

Take small groups from Board and Care homes on outings.

Get publicity - send article to newspaper about the group.

Bring your suggestions for a name for our group.

Consider what officers we will need.

Shall we pay dues? How much?
