

MENTAL HEALTH ASSOCIATION IN LOS ANGELES COUNTY

"THE PICTURE IN 1990"

A membership approaching 1% of the county

A comprehensive program in each region of the county encompassing:

- 1) public education
- 2) youth education in good mental health and volunteerism
- 3) "psycho-social" programs for the recovering mentally ill
- 4) speakers bureau available to various constituencies
- 5) promotion/prevention programs for business and industry

An operating coalition of providers, consumers, professionals and citizens striving for better, more comprehensive services and public awareness.

The Mental Health Fund providing R & D for improved programs/ services for the mentally ill. (\$2,000,000/year available for grants.)

Richard S. Van Horn
