Gary Heyman - Speaker
Nancy Mathews - C M H Assn
in attendance - Community Residential
Care Project

Complaints from ntros - no living
facilities - board & care selective
in types they take - Hospitals
will not hold sick people, No
L facility, why? Why Renin
Hosp well funded?

Heyman - LPS will not allow hold
State won't fund L facility -
does not know about Region II -
Cannot force to use facilities.

Plan to do better evaluation -
ask patients - Do review
programs.
